

About ThoughtSpot

ThoughtSpot, the leader in search & AI-driven analytics for humans, is helping the largest companies in the world succeed in the digital era by putting the power of a thousand analysts in every business person's hands. With ThoughtSpot, business people can use Google-like search to easily analyze billions of rows of data and get trusted insights to questions they didn't know to ask, automatically - all with a single click. ThoughtSpot connects with any on-premise, cloud, big data, or desktop data source, deploying 85 percent faster than legacy technologies.

Customers like Amway, Bed Bath and Beyond, BT, Capital One, Celebrity Cruises, Chevron Federal Credit Union, De Beers, Insurethebox and Scotiabank have put ThoughtSpot at the core of their business processes. With ThoughtSpot, business leaders and frontline workers alike have made more than 3 million data informed decisions per year.

ThoughtSpot was co-founded in 2012 by Ajeet Singh, former co-founder and Chief Product Officer at Nutanix, the largest tech IPO of 2016. With an engineering team built with Google, Amazon, and Facebook DNA, ThoughtSpot has raised over \$160M in funding from Lightspeed Venture Partners, Khosla Ventures, General Catalyst Partners, Geodesic Capital and Capital One Growth Ventures. The company is headquartered in Palo Alto, with offices in Seattle, London and Bangalore. For more information please visit thoughtspot.com.
